International Centre for Mechanical Sciences (CISM)

Udine, Italy

The following advanced courses in fluid mechanics will be held at CISM in 1990:

(1) 'Modelling Macroscopic Phenomena at Liquid Boundaries'
Coordinators: W. Kosinski (Warsaw) and A. I. Murdoch (Strathclyde), June 25–29.
(2) IUTAM–CISM Summer School 'Waves in Fluids'
Coordinator: J. Lighthill (London), May 17–22.
(3) Workshop in Microgravity Fluid Physics (meeting hosted by CISM)
Coordinator: J. M. Haynes (Bristol), Spring.

All requests for information about attendance at these courses should be directed to the Secretariat of CISM, Palazzo del Torso, Piazza Garibaldi, I-33100 Udine, Italy (tel. 39-432-294989; fax: 39-432-501523).
